

## Dystopian forced-birth hellscape

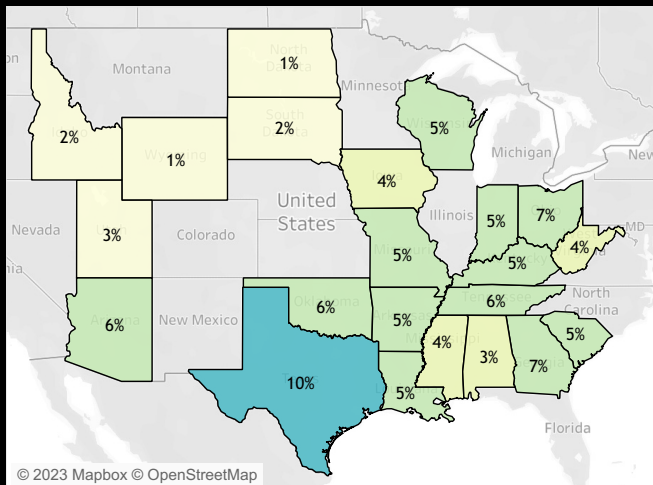

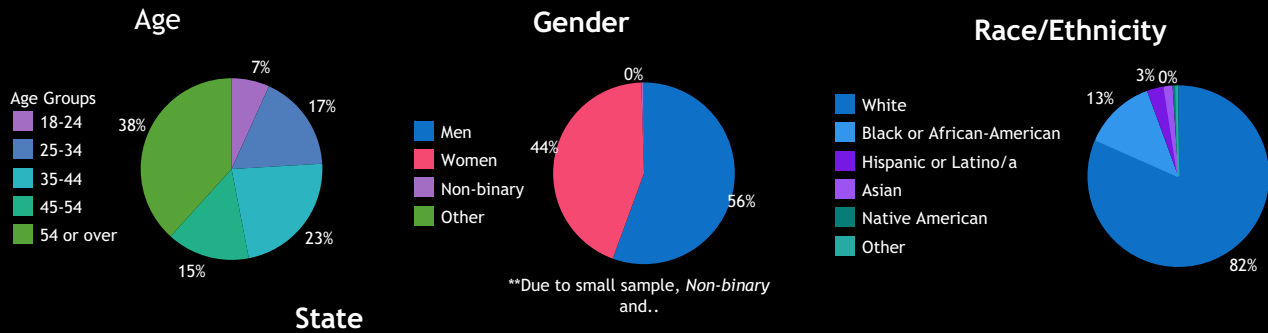

a poll by **Cards Against  
Humanity**

The webpage at <https://abortionpoll.cardsagainsthumanity.com/> presents a poll conducted by Cards Against Humanity regarding abortion restrictions. The poll aimed to gather opinions from people residing in states that have banned or heavily restricted abortion since the Roe v. Wade ruling was overturned.

In this dashboard, we summarize some of the most salient points of said poll with the Cards Against Humanity data set.

# Sample

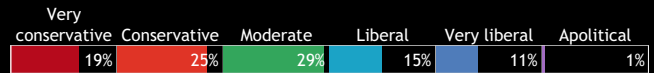

A total of 2,919 respondents from 22 states participated in this poll. The respondents were exclusively located in states that have banned or heavily restricted abortion after the overturning of Roe v. Wade.

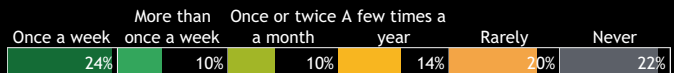

## Political Party Affiliation

## Political Views

## Religiosity

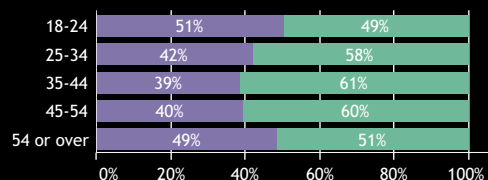

IMPORTANT: This poll was conducted by Cards Against Humanity LLC from July 24-30, 2022, in partnership with Dynata. Original content is available at: <https://abortionpoll.cardsagainsthumanity.com/>

# First of all... Is an embryo a person?

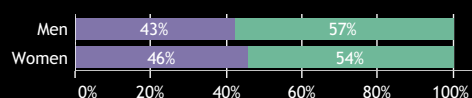

Do you believe that a fertilized egg (embryo) is a person?

■ No ■ Yes

by Age

by Gender

by Political Party Affiliation
